**Re: National Utility Service, Inc. v.
Tiffany & Co. and Tiffany and Company
Index No.: 07 CV 3345 (RJS) (GWG)**

Dear Judge Sullivan:

We represent the plaintiff, National Utility Service, Inc. ("Plaintiff"), in the above action. We submit this application for a sixty (60) day extension of the fact discovery deadline from March 14, 2008, until May 14, 2008. Defendants, Tiffany & Co. and Tiffany and Company ("Defendants"), join in this application. No previous request for an extension of the original fact discovery deadline has been made by any party. Please note that an extension of the fact discovery deadline will also require an adjustment of the other pre-trial deadlines set by the court. Accordingly, we are also submitting a Proposed Revised Case Management Plan and Scheduling Order for your consideration.

The parties have made considerable progress in discovery since appearing before you on November 27, 2007. Specifically, the parties have produced documents, Defendants have answered plaintiff's interrogatories, documents have been produced by third-parties pursuant to subpoenas and five depositions have been conducted of the parties' representatives.

The following matters, however, remain outstanding. Plaintiff intends to take the depositions of at least another three of Defendants' current or former employees, including the individual who signed the contract at issue in this case. Defendants also plan to take at least one additional deposition of Plaintiff's employees. The need for some of these depositions was not initially anticipated but arose during discovery. Please note there may be scheduling issues with respect to two of these depositions because the witnesses reside out-of-state or out of the country. Additionally, the parties intend to take the depositions of representatives of several third-party entities that were involved in the events concerning this case.

Despite our joint efforts to work toward an expeditious close of discovery, the parties will be unable to complete all of these depositions by the current deadline for fact discovery of March 14th. Accordingly, the parties request that the fact discovery deadline be extended to May 14, 2008, and that the other deadlines in this case be similarly extended. Finally, please note that there is a conference scheduled before you on May 15, 2008, which we request to be adjourned in the event the court extends the fact discovery deadline.

Thank you for your consideration.

Respectfully submitted,

Peter G. Goodman

discovery schedule is granted.
No further requests will be con-
sidered by the court.
